

Chicago Steps to Ladder's Top

Cubs Now Lead Giants by One Point—Tigers Still Lead American League Pennant Race.

The New York club lost its place in the lead of the National League pennant race yesterday by dropping the second game of its double-header with Philadelphia, while Chicago was winning from Cincinnati. This morning New York is just that one point behind Chicago, which team leads, Pittsburgh, winning two games from St. Louis, pulls up to within three points of New York. Figures to leading players of the New York club may cut a figure in the outcome of the pennant fight.

Almost equally close is the race between the three leading clubs in the American League. There were no changes in the standing of that league's leaders as the result of yesterday's games.

NEW YORK DIVIDES UP WITH PHILLIES

New York Players Injured—Doolin and Brennan Collide at Plate in First Game.

NEW YORK, September 29.—By splitting a double-header with Philadelphia to-day, while Chicago and Pittsburgh were winning, New York relinquished first place, and Chicago now leads by a single point, with Pittsburgh a close third. In the first game the locals had Mathewson in the box, and as they batted McQuillen to good effect, McGraw's men won handily, 6 to 2. Brennan and Doolin collided at the plate in the fifth inning, and both had to retire. Brennan suffering from a sprained ankle, and Doolin being painfully but not seriously injured.

In the second game Doolin was back behind the bat, but Brennan had to give up in the opening inning. Doolin, who injured his leg yesterday, was unable to play to-day, and the absence of these two crippled the home team badly. The visitors found Crandall very easy in the sixth inning, and added five runs to their score before the side was retired.

The second game was one of the most exciting seen here this season. Neither side scored until the seventh when Pittsburgh made three runs off three hits and an error. St. Louis came back in the eighth with four runs, made on two hits and a base on balls, coupled with two errors. Pittsburgh made two runs in the eighth and St. Louis tied the score in their half of the ninth, when the locals got another run in the last half of the ninth.

Big Loss to Washington and Lee.
Petersen, Washington and Lee's senior quarter, has had to leave the university because of water on the knee. His loss will be a severe one, as he was the best drop kicker in college. He was taken out of the game by a blow to the head, following a punt, in the forty-yard line. It was the coach's intention to use Izard, last year's star punter, at that point, but Petersen, who is a clever field general, was the team. Petersen has returned to Norfolk to have his knee operated on, and if the doctors advise, will return to the university next week.

THE GREATEST TWO-MILE TROTTERS

An exciting moment in the first heat of the match race which was held recently at Netherthorpe, Pa., between Ed. Bryan and Pelegon for the two-mile trotting championship of the world. In this heat Ed. Bryan, the game holder of the world's championship as a two-mile trotter, broke a blood vessel, and may never trot again. Of course, on account of his condition he was withdrawn from the final heats of the race. The injury to Ed. Bryan took place after two miles had been done in the remarkable time of 4:47.1-2, a new world's record. But if Ed. Bryan is de-froed a new trotting king has arisen, for Pelegon, by the way he forced Ed. Bryan's speed, no doubt caused his downfall through hemorrhage of the lungs. In the photograph Ed. Bryan has the inside and is a trifle ahead of Pelegon.

PLAYERS' BENEFIT DRAWS BIG CROWD

Field Day and Game Amuse Spectators—Tom Messitt's Team Trounces Lipe's Bunch.

More than 3,000 of the faithful journeyed out to Broad Street Park yesterday to the players' benefit, which included field day events and a big exhibition game between the followers of Perry Lipe and those of Tommy Messitt.

At 3 o'clock the field day exercises began, and they were thoroughly enjoyed, not only by the spectators, but by the players as well. In the long distance throwing "Dutch" Revelle and "Hoot Mon" McKenzie made beautiful throws. Dutch winning by a narrow margin, with Bill Heffron third best.

The accuracy throw was a tie between Cowan and Culm, with Bussey a close second. In the throw off of the tie "Scraper" won out from Thomas and Pelegon.

The 100-yard dash was a beautiful contest. The players got off for a perfect start, and were running well when the race was over. Big George Stinson came in last, with Bill Heffron, Guy Timman and George Cowan pushing him closely in order named, and Harry Bussey bringing up the rear.

A race that furnished much amusement for the crowd was the slow men's 100-yard dash, handicapped, between Sandherr, Lipe, Messitt and Revelle. "Sandy" and Lipe ran from scratch, Revelle from the five-yard mark, Sandherr from the ten-yard mark. Sandherr won, with Lipe second, Messitt third, and for slow men they were running some. Perry Lipe finished just close enough up to keep from being mistaken for a runner in the next race.

The 200-yard dash was a beautiful contest. The players got off for a perfect start, and were running well when the race was over. Big George Stinson came in last, with Bill Heffron, Guy Timman and George Cowan pushing him closely in order named, and Harry Bussey bringing up the rear.

In the contest for fair bout and fast-time, Perry Lipe and Tommy Messitt were the main attraction. Lipe was the favorite, but Messitt was the favorite of the crowd. The race was a close one, with Messitt winning by a narrow margin.

The fastest time around the bases was made by Heffron and Timman, each doing the distance in 14 seconds, while Big Stinson completed the circuit in 15 seconds, the second best time made. The best slide was made by Bill Heffron, who went 21 feet and 6 inches. Perry Lipe was second and Jim Leon third.

The Baseball Game.
Tom Messitt's Grays answered Perry Lipe's Whites under in the exhibition game. Revelle was on the slab for the Gray Jackets, and what he did for Lipe's was a piece of cake.

Bussey was on the firing line for the white suits, and for five innings the contest was a pitchers' battle, with honors even and no score for either side, but in the sixth and seventh innings the Grays broke through. Lipe's side was hit for four runs, and the Grays won by a score of 4 to 0.

Revelle was invincible until the eighth, when three hits and a base on balls gave Lipe's followers two runs. In the ninth frame nearly every man on Messitt's team swapped places with some other man, and in the general mix-up and ensuing confusion two tallies counted. The score:

BIG SHAKEUP FOR VIRGINIA'S LINE

New Linesmen Will Be Tried Against St. Johns—Thurlow and Taylor Injured.

[Special to The Times-Dispatch.]
CHARLOTTESVILLE, VA., September 29.—There will probably be a shakeup in Virginia's line in the second game of the season to-morrow afternoon, with the eleven from St. Johns College, Annapolis, Md.

The coaches were far from pleased with the work of the forwards in Saturday's game with William and Mary College, and will no doubt make several experiments in to-morrow's game, and that on Saturday with Randolph-Macon College, in the hope of strengthening the line before the contest with Davidson on October 3, when the first real test of the season will be made.

Last year the Davidson team played Virginia to a tie and the North Carolina eleven this year is said to be even stronger than last year's.

Thurlow, who played at end Saturday, will be out of the game to-morrow. Last Saturday he went into the contest with a sprained ankle, and was unable to play. He is expected to be ready to play to-morrow.

The coaches greatly miss Maddux, who put up such a strong game at end last season, and realize that it will be very hard to fill his place. After the game with William and Mary, the ends in the game with North Carolina last fall in Richmond, Maddux was shifted from guard to end, where he played the game, and was very effective. The coaches are hoping that he will be able to stop playing almost anything that came his way. On the offensive, the forward pass was used very much, and frequently made long gains. He graduated from the medical school in June.
